THIS MONTH IN CLUB TEASE!
CLUB INTERNATIONAL Volume Tweny two Number Thirteen

You know, what with Christmas nearly upon us I reckoned it was high time I stopped all my wild clubbing and snogging (and continually getting slapped in the face and waking up in the gutter after an all night drinking session with the girls off *Gladiators*) and had a good long think about the true meaning of Christmas.

And no, I don't mean watching Sir Jimmy wander around hospitals, nor do I mean getting presents I didn't want for doing absolutely nothing. Nor do I mean actually saying "Yes, thank you, I'd love a sherry," and enjoying it. No, I mean the deeper, touching moments only the Yuletide season brings, the warmer, loving feeling in which we can all share. I mean, of course, the Christmas party.

Yes, that strange time of year when after six bowls of lager-based fruit punch even the dull wankers in accounts whom you haven't said so much as a word to all year become bosom buddies, where the boss is now your besht fucking pal and you suddenly discover you know all the words to *Merry Christmas* by Slade.

What the fuck happens to us? Is it the relief of a whole year of working your balls into a pulp without so much as a grin from the one attractive girl in the building, only to be given the afternoon off and that golden opportunity to wear a paper hat? Of course it is, well, that and the one chance in the year to get pissed for free.

I just think nobody takes nearly enough advantage of these parties. I mean, do *you* get shagged silly up against a filing cabinet by some blonde cracker stinking of red wine and Silk Cuts? Well I bloody don't and I'm gorgeous. So this year I think that all of us, every single Club reader up and down the country, should get their office parties really flying and slip in as much illicit stash as we can find into every single sausage roll, sarnie and bit of quiche. Then sit back in the bosses chair with a four pack and a two foot spliff and watch the show.

It'll be great! Secretaries dancing and stripping off, all the lads in the office joining in and wanking like crazy over them and all the the fat directors giggling like idiots as they try and photocopy their bollocks and snog their angle poise lamps.

Then when their wives ring up wondering why their hubbies aren't home yet, you can politely explain that their loved ones might be a little late as they are at this moment being scraped off the ceiling, and when they've stopped going 'Check out the lights man, you know what I'm saying' they'll float home.

Oh, and don't forget to take a camera along so you can get a few snaps of the sad sods completely off their faces for blackmail purposes at a later date.

After all, how do you think I got this cushy number? Happy Christmas! ♣

Bella's A Beauty!

I think I've probably just seen the best issue of Club (Vol 22 No 11) that there's ever been. Of course, I always expect each issue to be a winner, but

there was just something a little bit special about last month's edition of the magazine.

I reckon a lot of it had to do with Bella, the strawberry blonde girl with the wide-eyed innocent look who first caught me eye. Her smooth tanned breasts looked fantastic; very sexy indeed. I'd love the chance to get down between her long, slim legs and slowly lick all the way up the insides of her thighs until I reached her jewel – that wonderfully trim pussy that she possesses.

Let's see more of Bella soon... hopefully as Girl of the Year, I know she's got my vote already! – *Peter, Lincoln*

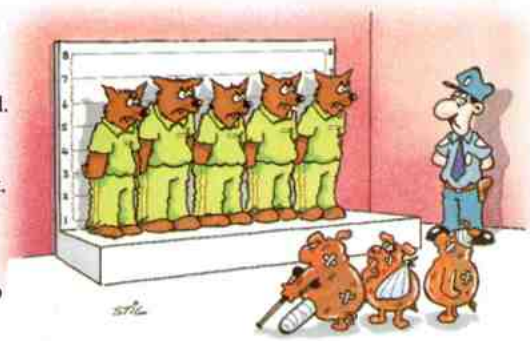
Naughty Nicola

My name is Nicola, I'm 25-years-old and have been married to James for three years. We both love the letters in Club and thought that your readers might be interested to hear of the most exciting sexual experience we've had.

Over the last year I have noticed how many of the letters in your magazine deal with husbands who enjoy watching their wives having sex with other men. I've never discussed the idea with James, but one night as we lay in bed, slowly wanking each other off, he asked me if I'd like to be fucked by someone else while he watched. I felt a surge through my pussy as I pictured myself getting fucked by a complete stranger in full view of James. "You bet I would," I purred. My husband's reaction was to gasp loudly, tense his whole body and then shoot his load all over my breasts! I was fascinated by the effect this idea had on him and every time we had sex after that night, the same idea was discussed.

In the end, we decided to do something about it. The plan was simple: we'd visit a pub where we weren't known, go in separately, then wait for me to get chatted up and if I fancied the bloke then I'd take it from there.

So last Friday night I got dressed to thrill in a tight black skirt, fishnet stockings and suspender belt, scanty pink panties and a low-cut top with no bra. I made my face up much more heavily than usual, in fact I looked quite tarty and felt like a real cock teaser. I was a bit nervous when we set off in the car, my stomach was churning with butterflies, but my snatch was on fire!



We arrived at the chosen pub (name and address withheld for obvious reason!) and James went in first and I followed about five minutes later. I sat on a stool at the bar and ordered a Martini. I could see James in the corner of the bar reading a paper, occasionally peeping over and watching me. I have to admit that the whole business had got me very sexed up and as I sat there, I could feel myself getting wet between my legs. Several chaps came up to the bar and smiled, but nobody tried to chat me up. However, after about 15 minutes a young blond lad in a tracksuit came in, sat down beside me and ordered a pint. I guess he was about 18-years-old, very good-looking and his tracksuit bulged in all the right places. He introduced himself as Lee and told me he had been playing tennis. I suddenly realised that this could be it.

We moved to a quiet corner, sat down and started chatting and drinking. Lee even started stroking my knee under the table, and I opened my legs wider so that he could go further. I don't think he could believe his luck and when his fingers reached my stocking top and he felt bare thigh, I thought he was going to burst! By now I felt really horny and daring, so I leant across and whispered in his ear, "Shall we go outside before you come inside your pants?" He gulped down his drink and we both left, making sure that we walked past my husband on the way out. James had a huge grin on his face and winked at me as I passed him.

We went around to the back of the pub where Lee's car was parked. It was a big estate and he opened up the

WORD UP!

Get the stuffing ready, folks... here's the biggest Xmas turkey you'll ever see!

Here at Club, we're in no doubt that Terry is one Christian they should have fed to the lions; but instead *The Word* presenter is guaranteed to spoil somebody's Christmas this month with the release of *The Worst Of The Word* (Braveworld Video). Do you really hate anybody enough to give them this as a pressie? We think not...

The late-night Channel 4 programme had all the watchability of a coma victim and the only thing that brightened it up was the appearance of leggies lovelies such as Katie Puckrick *(pictured right)* and Danni Behr.

Admittedly, the programme was the best thing on the box on a Friday night, but then again if you'd sunk fifteen pints in the preceding few hours, you could put up with anything.

Condom eating, maggot munching and penis enlargements – they've got all the tasteful subjects covered in this hour-long video. And there's even some unreleased bits that the ever-so-daring 'yoof' programme wouldn't broadcast.

Christ, why didn't 'highbrow' C4 go the whole hog and just show Stevie Wonder trying to dodge oncoming traffic? Radical, eh?

We've been given ten copies as prizes, but we don't think even you lot are *that* desperate. However, if you are, just send us your name and address and we'll even send Terry around personally to give you your video! ♣

back and we climbed in. We started kissing, then I felt Lee's hands yanking at my top, then pulling it right off. His lips moved to my tits straight away and he sucked and licked my nipples. "Oooh, that's it," I moaned sexily. "Suck them really hard." Lee followed my instructions and greedily slurped on my erect nipples. It felt absolutely divine. I glanced back towards the pub and I could see James coming out and walking towards our car. He didn't drive off, but instead I could see he was sitting watching us from the other side of the car park.

Next I felt my skirt being pulled up above my waist and suddenly his hands were everywhere – stroking my thighs, my bottom and caressing my fanny through my wet knickers. Then in one swift move, he pulled my panties down to my knees. I gasped as I felt his fingers part my love lips, then a slim digit started rubbing my clit and stroking my slit. Well, that was it!

I responded by pulling his tracksuit bottoms down and grabbing his cock. It felt very big and thick, but something was different. I realised immediately that Lee wasn't circumcised like my husband, and I was fascinated by the way the foreskin slid loosely back and forth as I wanked him off.

I wanted that cock of his inside me, so I lay back and spread my legs wide. "Are you ready for a fuck then, Lee?" I asked him, teasing him by pulling apart my cunt lips so that he could see my pink pussy glistening in the half-light.

I spread my legs wide as he started feeding his length in inch-by-inch and I wrapped my legs around his waist as he started vigorously shafting me. Then reaching down I eased a finger in beside his cock and ran it up and down the length of his shaft. This really set Lee off and he started pumping for all he was worth, withdrawing his cock slowly then thrusting it deep inside me again.

Lee's cock was so big, it rasped along my clitoris with every thrust of his hips – it was like being impaled on a rolling pin! He was sending me into ecstasy

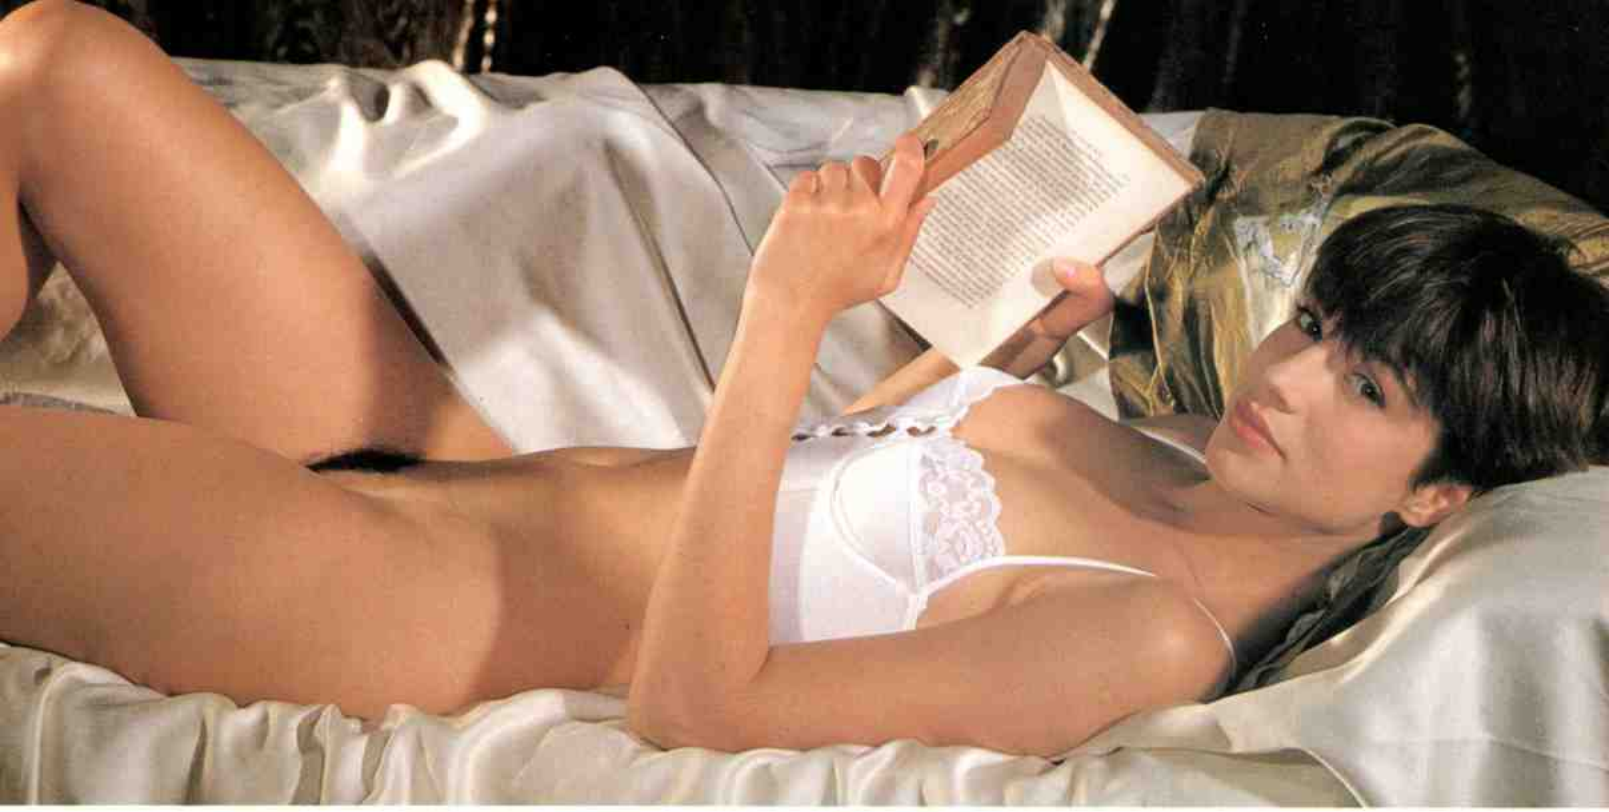
The hottest thing in the South of France at this time of the year has to be Isabelle, our French fancy from Marseilles. And thankfully, the 18-year-old student has brought her sunny smile to these shores for a while.

"I always come to London for Christmas," purrs the

saucy Languages student.

So what's the attraction of dear ol' Blighty then, Isabelle? "It's you British guys, you're so romantic – and just a little bit naughty too!

"And that's the way I like my men!" she giggles, pausing to slowly peel off her shirt. "Over here I'm never really short of male company – and luckily they're always keen to try out their French oral on me!"♣



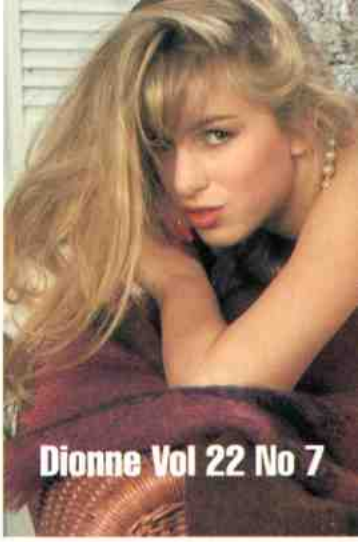
Girl of the year

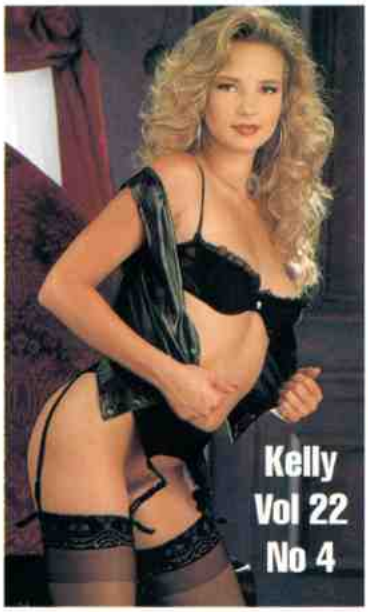
Once again we've reached December – and that means erection (sic) time in *Club International*! Yes, a whole twelve months have passed since we last asked you to cast your votes for your sexiest Girl Of The Year. Since the beginning of 1993, we've featured some of the loveliest looking women, so it's time to start leafing through those back issues starting from Vol 22 No 1 to this very edition.

Last year you voted Kirsty as the sexiest girl to appear in this magazine during 1992 and in just a month from now we'll be publishing the results of this year's contest.

To refresh those parts that other magazines cannot reach, we've pulled out a few of our favourites from this year, but remember that you can vote for any girl who's appeared since January 1993. As always, the winner will be featured in a special set in our New Year edition.

Please send in your vote as soon as possible on a postcard or the back of a sealed-down envelope. Remember your favourite girl is counting on your vote! Send your votes to Girl of the Year, Club International, 2 Archer Street, London W1V 7HF. ♣





WHAT'S HIS PROBLEM?

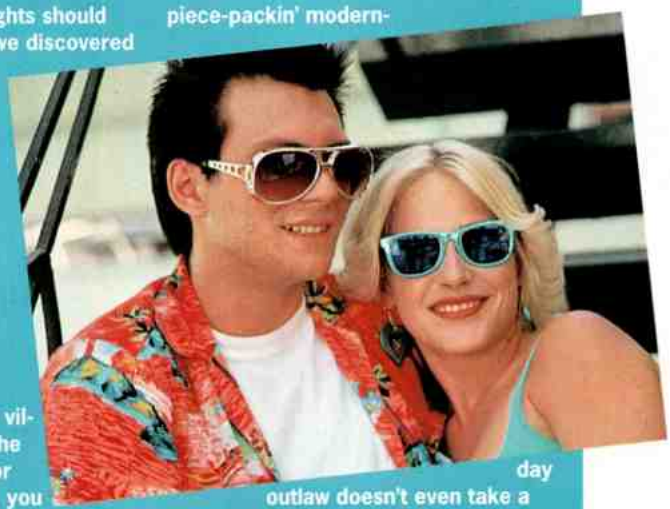
Here at Club we just can't understand all the fuss about **Christian Slater**. Are we the only ones? We don't think so...

Christian Slater! What the fuck is going on when a bog-brush of a haircut on legs ends up in the best guns, drugs, sex and, err... more guns movie of the year, walking away with the 'Brand New Sex Symbol' Award tucked neatly under his puny arm? It's time to find out what the man's problem is...

Honestly, the warning lights should have been flashing when we discovered that Paula Yates was going all sticky *On The Bed* for the air-headed American. Yes, all of a sudden it's time to dump on the old, such as stuffy Tom Cruise, and bring in Christian who has landed square on his tootsies by getting the lead role in Quentin Tarantino's pre-*Reservoir Dogs* workout, *True Romance*. He wages war with all kinds of nasty villains and gets the girl at the end of the day. Not bad for an hour and a half's work, you might say. Indeed not, especially when the babe in question is Patricia Arquette, a sassy and seriously sexy girl who's the only female with bigger balls than me that I've found attractive. She's not the only girl who's ever shagged in a telephone box, naturally, but that doesn't make her any less good at it! And that's another point in Christian's favour.

But hold on a minute... I come to bury Christian, not praise him! Let's just think about this winner-takes-all movie scenario for one pistol-cockin' minute! Let's just look at a little detail here. He's the geek who meets a hooker, falls in love and carries her off into the sunset. Cool, but why did he have to go into her former pimp's den and try to be Charles fuckin' Bronson? You tell me you know a woman who's worth taking an AK-47 up the jacksie for and I'll have the straitjacket on you before you can say 'wibble'.

What's more, after our Chris stumbles across a massive wad of coke, this piece-packin' modern-day outlaw doesn't even take a sniff of it! Can someone just run that by me again, *please*. He also spends a lot of time in the bathroom talking to Elvis Presley. Yeah, right.



So come on, fellas. Don't you go getting aerated over a scrawny git who looks like he's going to nod off at any minute. Paula Yates may get her frilly knickers in a twist over Mr Slater, but remember she's married to Bob Geldof. 'Nuff said, eh?

Finally, whenever anyone else drools over Christian's drop-dead gorgeousness, just remember he played a character in a movie who was transplanted with a baboon's heart. It's probably the only stiff he's ever had! ♣

with every lunge and I wasn't surprised when I felt myself coming quickly. "You've got me coming already," I gasped, as an intense orgasm pulsed through me. It was so strong, I nearly passed out. A few more lunges and Lee started grunting and with one final thrust he shot his load inside me. It was one of the most incredible fucks that I've ever had.

It took several minutes to pull myself together after that. I took a last, loving look at that fantastic prick, then pulled my knickers back on and got out of the car. Lee asked if he could see me again, but I told him that my husband might not like it, pointing over to where James was sitting in the car with a large smile on his face! Lee looked totally gobsmacked as I kissed him, thanked him for a wonderful night, then walked over to our car.

As James and I drove off, I couldn't resist pulling my panties off and throwing them at Lee. "You can keep these," I told him. "Just so you remember this night!"

James told me that he couldn't really see much of the action going on inside Lee's car, but he could certainly hear it! For the next few days he wanted to know every little detail of my brief liaison with my young stud and I must have retold the story at least a dozen times to James. What next, I hear you ask? A threesome perhaps, if I can find a willing lad. The very thought has me wanking myself silly... – *Nicola, Leicester*

Hi guys! Remember the fifties? No — neither do I, but I have seen the films! You know, the ones with all those glamorous and horny girls in naughty clothes. If I'd have been around then I would have gone crazy fucking all those gorgeous guys and sucking all those glitzy girls.

So as my tribute to an era of erotica, I've slipped into my most filthy fifties underwear just for you.

This tight corset makes me feel like a real vamp — naughty but nice! And I love the feel of these original nylons caressing my legs. I can just imagine a guy bending me over the table and riding me doggie-style while stroking my bum and legs with his firm hands. I know how much some of you guys like a pair of sexy legs wrapped around you while you pump a pussy! Maybe you'd like to suck my stockinged toes too? I know it gets you hot, and it's a real thrill for me.

And the best thing about this outfit? It leaves my pussy bare for you guys to lick, suck and fuck! Write and tell me how you'd like to do it, okay?

LETTERS TO Lucy

Dear Lucy,
How come you always look so horny, no matter what you're wearing? Maybe it's what you're not wearing that does the trick! Whatever, my dick stands to attention the moment I look at your gorgeous body and imagine ramming my length into your glistening hole.

My girlfriend, Angela, is pretty pleased with you too because she always gets a real good fucking after I've been getting off on your body. She reckons you've got the perfect physique too and says she would love to have her first lezzie experience with you sucking on her quim while she fingers your clit. I'd be more than happy to just sit and watch, believe me! Interested? – *Mark, Sunderland*

I'm so happy you get horny over my pictorials and love the idea of your girlfriend getting a thrill too, Mark. Let's face it, that's what I'm here for, isn't it?! Sometimes, when I've been fantasizing about my readers wanking off over me, I imagine a sexy girl fingering herself over my pictures at the same time. And that gets me juiced up all over again! You know that I'm always ready for hot cock and wet pussy and when I can get to grips with them both at the same time, I'm in clit-dripping ecstasy. I reckon it's time our naked bodies got together. Interested? I certainly am!

Dear Lucy,
Every time I open up the new issue of Club and see your lovely little snatch inside I have to toss myself off! It doesn't take long until I'm unloading a thick, stringy wad of spunk.

In my imagination it always lands right on your tight pussy and splashes across your creamy thighs. You take great delight in rubbing the creamy come deep into your skin too.

You look like the sort of girl who really doesn't mind getting hot, wet and sticky. Am I right? – *Steve, Kennington*

No need to ask, Steve. I'm always very flattered to think that I have such a stiffening effect on all my fans. I like to know that my body can make you come and you're absolutely right, there's no way that I'm shy about getting covered in creamy, salty spunk.

Maybe I should work in a sperm bank! Then again, there'd never be any left for anyone else after I'd finished, would there? – **Lucy ♣**

FALLEN MADONNA

More news, views and half-baked opinions from the Esther Rantzen of the music world, **James T Bone...**

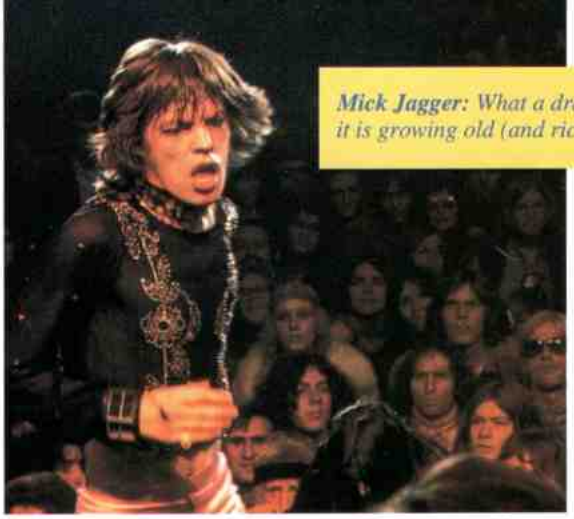
Madonna's recent visit to these shores seems to have sparked frenzied attacks from the popular press, but it had little to do with her stadium act, the much-publicised 'Girlie Show'. The newspapers, irked at her refusal to any interviews with them, laid into the singer with a vicious aplomb.

No sooner had the Material Girl booked into her hotel when the dailies reported that only seven people were camped outside, therefore proclaiming that Joe Public was bored of her antics. This was despite the fact that over 100,000 people had forked out £3 million to see her at Wembley the following weekend. But worse was still to come...

After predicting that her shows would be the best the capital would see this year, *The Sun's* Piers Morgan announced that it was, in fact, the worst show he'd ever seen. Sour grapes, perhaps? Probably. It turns out that our 'Friend Of The Stars' is anything but, and despite keeping vigil outside Madonna's hotel he was denied the chance of interviewing her. The following day, *The Sun's* Mark Kenny even had the cheek to comment that, 'Her conduct raises the question as to whether she is psychologically disturbed'! And the wallies down at Wapping wonder why **Madonna** won't talk to them...

Madonna: The Sun doesn't shine out of her arse!

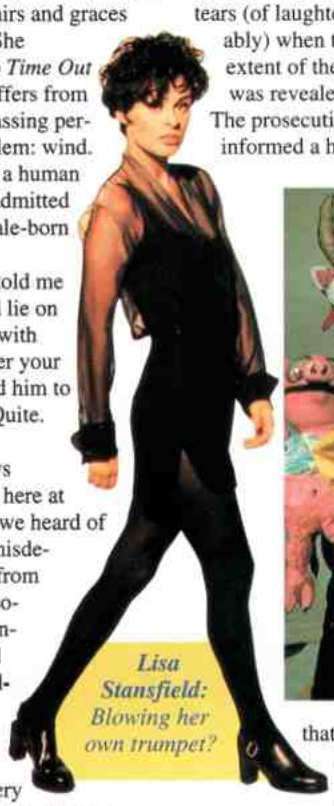
And what about the humble opinion of this particular scribe then? If truth be known, a good-looking 35-year-old woman who dances naked onstage, gets her tits out on film, struts down the catwalk naked, stars in a blue movie – *A Certain Sacrifice* – then tops everything off by releasing a weighty volume of fetishist and lesbian fantasies complete with graphic pictures is okay in my book.



Mick Jagger: What a drag it is growing old (and rich)

● **Lisa Stansfield** may have a sleek new image, but she sadly seems to be lacking in the social airs and graces to match. She revealed to *Time Out* that she suffers from an embarrassing personal problem: wind.

"I'm like a human balloon," admitted the Rochdale-born lass. "My boyfriend told me you should lie on your back with one leg over your body. I told him to get lost." Quite.



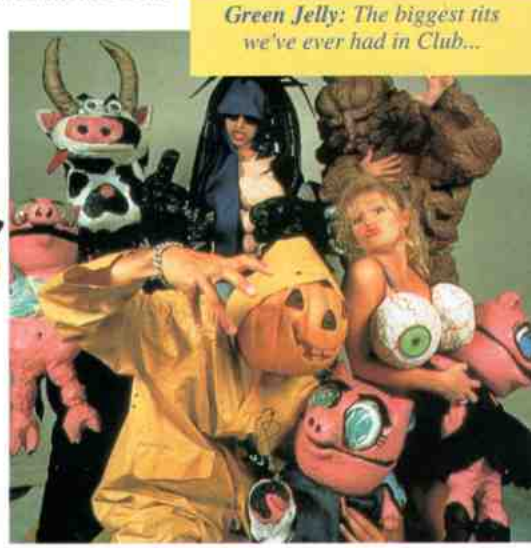
Lisa Stansfield: Blowing her own trumpet?

● Sad news reached us here at Club after we heard of the latest misdemeanours from those not-so-young delinquents, **All New Accelerators**; who appeared on these very pages a few months ago.

Mick and Tara from the group were up on a charge at their local Magistrates Court earlier this month, after they were collared during a daring mid-morning heist on a High Street shop.

However, a packed public gallery was soon reduced to tears (of laughter presumably) when the full extent of their robbery was revealed in court. The prosecution lawyer informed a hushed court that their booty consisted of a jumbo pack of streaky bacon, nicked from Sainsburys. Call the cops...

Green Jelly: The biggest tits we've ever had in Club...



● Polygram are releasing three music videos this month, and because it's Christmas we're gonna play Santa Claus and give you the chance to win copies of The Who's rock opera, *Tommy*; The Sex Pistols' *Great Rock and Roll Swindle* and **The Rolling Stones'** legendary rockumentary, *Gimme Shelter*.

We'll part with the vids if you can answer this question: what have The Who's Keith Moon, The Pistols' Sid Vicious and The Stones' Brian Jones got in common? Dead easy, huh? Answers to the usual address.

Are you nuts about KP's new tube?

Can someone tell me what's happened to KP Nuts recently? For some strange reason, 'The No 1 Nut' has suddenly started appearing in a cylindrical tube. It seems that the old bag isn't good enough for some people, eh? We decided to investigate...

Using our finest detective work we discovered that a 50 gramme bag retailing for 28p contains 78 peanuts – that's 0.3589p per nut. The 45 gramme tube, however, is more expensive at 34p *and* only contains 72 peanuts – that's 0.3888p per nut. It's an outrage. You're being conned folks...

But why have KP done this? Was is it the marketing man's-effort to get in on the club culture, making peanuts appear sexy just 'cos they come in something that resembles a personal vibrator? Face it, peanuts just aren't sexy! No woman is going to melt into your arms just because you're packing a tube of salted peanuts under your

● "We suck!" So say America's latest lunatic fringe, **Green Jelly**. But before you go getting all excited about the band's two temptresses, Sadistica and Tin Titty's oral athletics, what they actually mean is that Green Jelly are proud of being the worst band in the entire world.

However, the band's recent UK tour proved otherwise, bringing out the kind of freaks you might expect; sweaty, stoopid and oversexed! While the girls wobbled their sizeable assets in the direction of the baying crowd, we were also treated to a butt-naked Hotsy Menshot, the consummate Rock Star; and the rather magnificent Shitman, a human-sized piece of excrement doing battle with a plumber's plunger the size of Johnny Holmes' todger!

It's all good, dirty fun and their forthcoming cover of Gary Glitter's *Leader Of The Gang*, recorded by the band with wrestling oaf Hulk Hogan, is a pairing made in hell that's guaranteed to be a Christmas number one. Probably.

● Finally, Scottish rockers **Wet Wet Wet** have become the first British band to sponsor a football team, after they were approached by their hometown club, Clydebank FC.

The twelve, no doubt angry, young men now have to endure the ridicule of playing matches with the legend Wet Wet Wet emblazoned in big red letters across their shirts. Still it could be worse, they could have been sponsored by Gaye Bikers On Acid. Now *that* would have been funny...♣

belt, are they? "Hey, handsome, is that a tube of peanuts in your pocket – or are you just glad to see me?" I don't think so...

If you do choose to buy these nuts from the tube, then you're probably the same person who wears Nike trainers with built-in pumps, use S-s-s-studio Line 'Volume Up' hairspray and has a Midland Live! cashcard account. In which case, are you doing anything Friday night? I know this great Karaoke sushi bar that serves a wicked Pot Noodle... ♣

"Big, blonde and boot-i-ful!" – that's how six-foot tall Norfolk broad Tina describes herself, and who are we to disagree?

"But don't let that scare you! I'm a fun loving girl at heart," she adds, running her fingers through her luscious blonde mane.

"Whenever I go out to a nightclub I'll always be the first on the dancefloor and the last to leave – and usually with a fella on each arm, too! If I'm feeling very naughty, I'll even take them both home with me," she giggles. "Just in case I wear one of them out, you understand!"

So is group sex a bit of a hobby of yours then, Tina?

"You'd better believe it," she laughs, slipping a finger into her wet snatch. "I don't do things by halves, believe me!"

We believe you, Tina, we believe you! ♣

HOBKINSON'S CHOICE

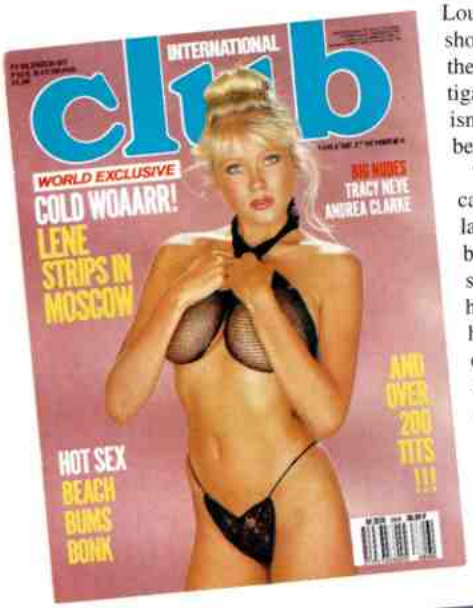
Louise went from a Club cover to the Commons. **Carrie Mehome** thinks an appearance in our magazine is the best career move a girl can make.

Tory MP Bill Cash must have thought that all his Christmasses had come at once when lovely Louise Hobkinson applied (successfully) for the post as his Personal Assistant at Westminster.

The former model displayed a not-so-Commons touch five years ago when she was pictured on our cover. At that time Louise was only 19 years old and about to start studying languages at Swansea University, where she gained a first-class degree, becoming fluent in both French and Italian.

Bill Cash, the upright member for Stafford, was unruffled when our old chums at the *News of the World* went doolally about Louise's cover shot and produced the epic of investigative journalism we show below.

"She is a very capable young lady," said Bill, brushing off suggestions that he'd employed her for anything other than her shorthand skills. "Mind you, the fact that she is very attractive has not gone unnoticed."



Now the high-flying PA with an IQ to match her bust size is the talk of the Tory backbenches – and the question on everybody's lips is, 'Where exactly will the next Club cutie appear?'

While you hold your breath, we asked three of your current favourites about their future career plans...

Dear Jemma,

I've never seen such a gorgeous girl as you in the magazine (Vol 22 No 11) before. After looking at your pictures, I had to write in and tell you of my naughty fantasy...

I'm dining out at a restaurant with you. You're dressed in a slinky dress that accentuates every curve of your body and I have to admit that food is the last thing on my mind. I manage to nibble away at the main course – then you announce that you're the dessert!

Before I know it, you're under the table and tugging at my zip. I gulp loudly as I feel your lips engulf my cock, your tongue lapping at my balls and running up and down my shaft. I'm gripping hard onto the sides of the table as I feel myself coming, then you stop. There's a pause, then I feel two warm mounds of flesh caress my cock and I peek under the table to see you've peeled the top of your dress down and are

in Spain during the summer. A friend of mine, Judy, works out there for one of the well-known holiday companies and she has a whale of a time. Those rumours you hear about sun, sea, sand and sex are all true! She made me look like a saint, and that's really saying something!"

Ideal occupation: "I'm a good swimmer, so I'd like to be a lifeguard. It'd be fun dressing up in a tight swimsuit, then waltzing around by the pool. Only problem would be the fellas. I reckon that they'd need more than just mouth-to-mouth after seeing me!" ♣

As the pace hots up, I thrust my hips forward and shoot my load all over your breasts – just as the wine waiter uncorks a bottle of Moet and Chandon and plonks it on our table with two glasses. You reappear just in time for the toast: "To Jemma!", of course! – ***Steve, Reading***
Now that's what I call popping out for a bite to eat, Steve! I must admit that I've always had a sweet tooth when it comes to food. Fresh cream and strawberries are a favourite of mine – provided they're eaten off my body by a fella with a very healthy appetite, if you know what I mean! – *Jemma* ♣

clare

It's something of a special treat for us to have Clare Black stripping off in Club. Not just because she's obviously drop-dead gorgeous, but because the fashion model from Ipswich is currently in demand as one of the rising stars of the catwalk.

"I'm more used to putting clothes on," giggles the 18-year-old stunner, slowly peeling off her skirt to reveal her pert breasts. "But I think this is a lot more fun!

MagDownload.org

"I've always wanted to strut down down the catwalk completely naked," admits the bubbly brunette, with a wicked glint in her eye. "I've got quite a few naughty designs of my own – though they're usually on all those hunky male models backstage!"♣

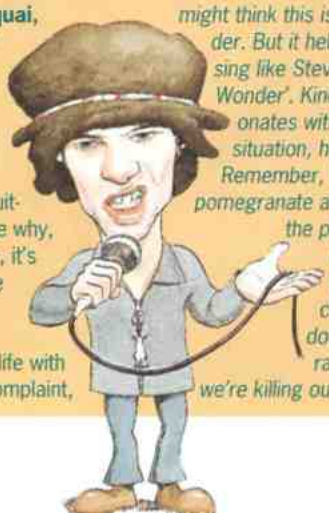
JAMIROQUAI'S PROBLEM

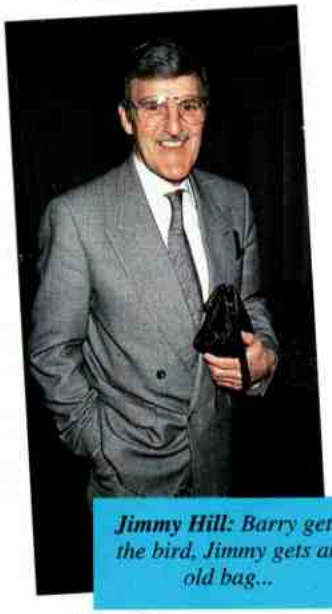
We are proud, privileged and honoured to present a new column in which Britain's number one pop star applies his intelligence and sensitivity to help answer your problems...

Dear Jamiroquai,
My husband, Bernard and I often employ a bit of role playing during sex. Recently whilst engaged in a 'slave and mistress' session I got carried away and sold Bernard to our neighbour. I tried explaining the situation to her, but she refuses to sell him back to me. What can I do? *Eileen, Dover*
Jamiroquai replies: *I think the answer can be found on a track on my last album called* Monkey Steps To The Keystone Jungle: *'The Brazilian monkeys are dying, yeah! And the world's politicians are lying! I sing the heart song of their mothers! It's got a tune by The Isley Brothers!' Maybe that's a little profound, but if you dig in the grooves, you're gonna find gold!*

Dear Jamiroquai,
I am going out with Bobby and I am in love with him. Unfortunately my parents think he is unsuitable. I can't see why, though. I mean, it's true he's a little rash, but if I want to spend the rest of my life with a minor skin complaint, why shouldn't I? *Sandy, Kent*
Jamiroquai replies: *As the title track on my new album says, Sandy: 'Love is blind, Joanna. That's why I keep bumping into this piana. You might think this is a blunder. But it helps me sing like Stevie Wonder'. Kinda resonates with your situation, huh? Remember, life's a pomegranate and we're the pips. So every time we chop down a rain forest we're killing our souls!*



10) Who said: 'I'd love to have been a mole on the wall of that dressing room at half-time'?
a) Jimmy Hill.
b) Graham Taylor.



Jimmy Hill: *Barry gets the bird, Jimmy gets an old bag...*

c) Ron Atkinson.
d) Some other twat.

11) Of which famous British heavyweight was it said, 'He has the physique of a Greek statue, but throws fewer punches'?
a) Frank Bruno.
b) Joe Bugner.
c) Jack Bodell.
d) Cyril Smith.

ANSWERS
1) b, 2) d, 3) a, 4) b, 5) c, 6) c, 7) a, 8) c, 9) d, 10) d (Kevin Keegan to be precise), 11) b. ♣

CORNER

Dear Jamiroquai,
What the fuck are you on about? *Chopper, Leeds*
Jamiroquai replies: *Hey man, phew! That's a heavy question to lay on me. I'm kinda trying to speak out on social issues. Like I say on my new single: 'Ooooh-woooh-yeah. The rain forest is burning tonight. And I wish I was one of the Chi-Lites. But unfortunately I'm white. And shite. Oh yeah!' Hope that clears things up, Chopper, because anger is a destructive thing and the globe is a precious orb that can do without the negative vibes.*

fran

Photographs by Franco Marocco

It's hard to believe that Fran is showing us her delightful charms for the very first time in Club, but now she's had a taste of it she doesn't plan on stopping for quite a while...

"I've never been the shy and retiring type," she drawls sexily, "but then you've probably guessed that looking at my pictures!

"I used to dress really demurely; flowery dresses and that sort of thing.

but they didn't really show of my figure enough.

"Now I love skin-tight jeans," confesses Fran, slipping slowly out of her denims. "I like to turn heads when I walk down the

street, but there's a little secret to it..."

Tell us more, Fran; we're intrigued.

"Well, you can't possibly wear any knickers," she giggles. "A thong is fine, but the golden rule is no undies! As you can see, the results speak for themselves, don't they?"

Mmm, you could say that, Fran! ♣

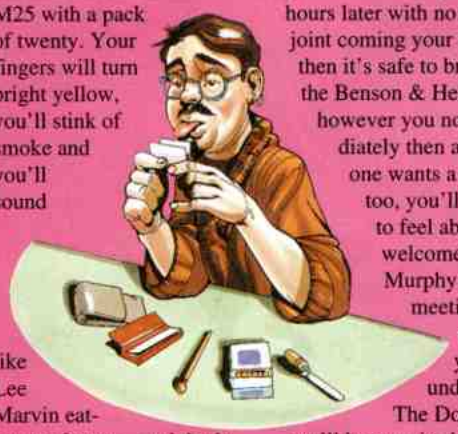
guide to smokers

Forget the designer drugs– tobacco's still the coolest high in the 90s, but who exactly smokes the stuff? Sixty-a-day man, Nick O'Tine investigates...

WOODBINE MAN

The original smoker. The Woodbine Man is proud to smoke and wears his brand like a badge of honour. "You've got medals from the trenches of the Somme? Fuck you! I *smoke* Woodbine..."

This unfiltered ciggie is so high in tar you could coat a ten-mile stretch of the M25 with a pack of twenty. Your fingers will turn bright yellow, you'll stink of smoke and you'll sound like Lee Marvin eating sandpaper... and that's before you've opened the packet! Anyone born before 1923 shouldn't attempt to smoke these things without seeking medical advice.



THE DOPE FIEND

Not a real smoker, of course, but the Dope Fiend always keeps a supply of tobacco ready just in case he feels the need for a 'recreational' cigarette (i.e. a joint, doobee, spliff, reefer, Camberwell carrot).

If you're ever asked, 'Do you like a smoke?' by this guy, avoid possible ridicule and embarrassment by replying, 'Hey, course I do, man! Who doesn't, eh?' If you're still sitting there two hours later with no sign of a joint coming your way, then it's safe to break out the Benson & Hedges. If however you nod immediately then ask if anyone wants a cigarette too, you'll be made to feel about as welcome as Eddie Murphy at a Klan meeting. Dope etiquette, you understand. The Dope Fiend, you'll be surprised to hear, is pretty together and has a place for everything. There's his skin drawer, his personal roach pad and, of course, his stash tin. Be warned though, you'll never actually get to see inside the tin where he keeps the waccy baccy – that's his little secret. In fact, it would be easier to take a peek inside Bonnie Langford's knickers.

THE NON SMOKER

The arch enemy of all smokers. They'll ask for a table in the smoking section of restaurants, just so they can sit there coughing violently and waving their hand around their head like they're trying to swat flies.

Annoy them by smoking constantly and blowing the smoke in their direction. Conversations about passive smoking and secondary cancer should soon get rid of this whinging maggot.

THE SEXY SMOKER

The sexy smoker sees the cigarette as some sort of penis substitute and she'll only lit up when she's trying to pull.

She'll sit there licking her lips and dragging hard on a poncy French fag in a holder, fixing you with a sexy smile.

She won't ever inhale, but instead will swill the smoke around her mouth, then blow it out creating a dry-ice effect all around her.

If she looks like she's trying to suck an egg through a sieve, then this should give you a good guide of her oral abilities later on.

THE QUITTER

This loser has been trying to give up cigarettes ever since he smoked his very first one when he was knee-high to a grass-hopper. Unfortunately the fags severely stunted his growth, so he's still the same size now...

A 40-a-day man for the last thirty years, he's already tried Nicotinel, Nicorettes, regressive therapy, acupuncture, aromatherapy, hypnotherapy and anything else that promises you can kick the weed or your money back – without any success.

The only way he'll stop is when he's dead (and even then he'll get the last laugh by insisting on cremation).

THE COLLECTOR

The train-spotter of the tobacco industry. These geeks change brands more often than most of us change underwear because of the 'free' offers. It doesn't matter that they have to smoke 10,000 fags just to get a key ring, they'll fall for it every time.

A quick look around their house should reveal Silk Cut silver goblets, Marlboro jackets and B&H car stickers. Look out for the Esso tiger t-shirts too, as all this bastard ever does is smoke and drive his car in an effort to get the vouchers. Sad. *(P.S. If anyone has any spare Air Miles, please send them into me... – The Ed)*

IN THE BAG

continued from page 13

seeing quite a lot of another couple, Gary and Ellen. Gary's the same age as me, 25-years-old, and we work together. We hit it off together pretty quickly, so when he suggested that the four of us go out on the town together, it seemed like a good idea. Little did I know how it would end up...

We had arranged to meet at a bar on Friday night and the plan was to go out for a meal, then maybe go onto a club. Lucy was pleased to be going out with people her own age and went right over the top to make herself look good. She splashed out on a new outfit; a tight-fitting black catsuit that accentuated every curve of her beautiful body. She tied her long blonde hair up on her head and wore a little bit of make-up. She looked very sexy and I couldn't wait to see Gary's face when he saw her.

When we arrived, I saw Gary sitting at a table by himself and I walked over with Lucy. "Hi there, Gary," I said. "This is my girlfriend, Lucy. Where's Ellen then?"

"Don't worry, mate," he replied, "she's in the toilet."

I went up to the bar and ordered a round of drinks, then out of the corner of my eye I saw the door to the ladies' toilets open. A stunning-looking girl with short black hair and a micro-length denim skirt and a white tee-shirt waltzed sexily out, then sat down at our table. I could hardly my eyes, it was Gary's girlfriend, Ellen!

"You'll have to excuse the mess... the cat's been spraying"

I walked over with the drinks, then Gary introduced us. "This is Ellen," he said. I held out my hand to greet her, but instead she pulled me close and kissed me.

"Pleased to meet you, Gary," she purred. "I've heard a lot about you and Lucy... the pleasure's all mine."

The four of us sat and talked, but I was finding it hard to keep my eyes off

continued on page 98

THE WALKING DEAD

'I've smoked 80 fags a day for the last sixty years and I'm fine." This man coughs like an epileptic horse, his lungs resemble black loofahs and he'd have an easier job breathing on Mars without a space helmet – yet he'll blame his state of health on anything but the cigarettes. Global warming, Graham Taylor, Sellafield... they're all to blame as far as he's concerned.

Wire him up to a ventilator and stick him in the cancer ward of the local hospital and he'll still smoke like a fucking chimney. 'Well it doesn't really matter now, does it? It's killing me.'

THE PROFESSIONAL SMOKER

Sadly smoking isn't sexy. I mean why don't you ever see Naomi Campbell or Cindy Crawford with a Rothmans dangling from their top lip as they strut down the catwalk, huh? Instead you'll only ever see ugly gits like Michael Winner, Peter Cook or Colombo with their smelly pipes and fat cigars.

However one man has elevated smoking to its right and proper status, enabling smokers everywhere to feel proud, cool and sexy as they light up. That man is Denis Leary, the patron saint of smokers.

The brash, American stand-up comedian has based his entire career on cigarette smoking, and when he claims to smoke 7000 packs a day, only a fool – or a non-smoker – would disbelieve him. 'When I get cancer,' says Denis. 'I want a tracheotomy, so I can two cigarettes at a time... I'll be tracheotomy man!' Classic stuff.

BMG Video have now released his stand-up routine, *No Cure For Cancer* on video and we've got five copies to give away. Just tell us who introduced tobacco to this country, was it a) Walter Raleigh, b) William Shakespeare or c) Joan of Arc? Charlotte

She's cute, she's cuddly, and she comes from Dudley. Yep, the girl with more sex appeal than a barrel full of Sharon Stone's knickers makes her first frisky appearance in Club.

"Do you think I did all right?" grinned the 19-year-old shaggy haired shexpot as she opened her long and lovely legs for the last time. "I mean, you would tell me if I did anything

wrong, wouldn't you?" Of course, we would, Charlotte, we nodded furiously. In fact, you couldn't just do the whole shoot again could you, we asked? You know, just to make sure we got all your best bits? ♣

It's official... 19-year-old Jasmine has the most sought-after bum in Brentford! The trainee hairdresser from North London received the accolade at her local pub last weekend after her umpteenth appearance in this magazine two months ago...

WOMEN'S WRITES

Where the girls get down to business

Ship Mate

There's only one thing in this world that I like better than dancing... and that's fucking! I've been doing one a lot longer than the other and what I've learnt from going to dance school is that you only improve with hard work. That's why I've been putting many an extra hour in to get up to scratch when it comes to sex. Fucking in every position, in every possible place, with every possible technique. I've been studying hard; and I've had a few hard studs to teach me.

Although I'm only 22 years old, I reckon I've cottoned on pretty damn quick and I've had a few fellas telling me I'm the best they've ever had in the sack, as their spunk dribbles down my chin after I've just given them my speciality deep-throat blow job! 'I bet they say that to all the girls' is what you're probably thinking, but I'd put myself up against anyone in a sex competition; in fact, I already have done!

I was working for four months of last year on a round the world cruise as part of the cabaret dance troupe. It was bloody hard work, let me tell you, dancing for two hours every night without a day off for four months solid. Still, the only way to get through it was to have a laugh with the other girls, think of the money we were making and talk about who else on the cruise we would love to fuck.

Fraternising with the passengers was strictly off-limits and anyway, most were married and ancient; nothing to give a girl a damp gusset at all! The crew, however, was a different matter. It soon appeared that they were thinking pretty much about sex – mainly with the dancers! Hardly surprising, I suppose, since we were all over five foot nine, with long, slender legs and nice tits!

To cut a long story short, a week of flirtation finally came to an explosive climax one night after we had finished the show. I was sharing a cabin with Rosie, a brassy lass from Yorkshire who was a great laugh and sex-mad. I'd already caught her once with her fingers buried deep in her snatch one night, wanking herself off and moaning out loud. She had just laughed the incident off saying if God hadn't wanted girls to wank, then he wouldn't have given them fingers! Anyway, on this particular evening the two of us were sitting in the staff bar, chatting to two of the croupiers who were on one of their breaks. I have to admit, we were pretty pissed and a week without good, hard dick had made us incredibly horny! Ian and Dan were good-looking too, so it didn't take long before we were flirting like mad, crossing and uncrossing our long, slender legs and leaning forward all the time to expose large expanses of cleavage. It was arranged that as soon as the boys finished work, about three o'clock, they'd come to our cabin for a night cap!

"You do realise that we're sharing a room, Alexandra, don't you?" said Rosie, but both of us agreed that we'd make the best of it. Rosie actually confessed afterwards that the thought of being watched fucking a hunky guy had really turned her on. Ian and Dan turned up at three and were greeted by the sight of both of us wearing nothing but high heels, stockings, suspenders, knickers and bra. You see, we'd been talking and had decided that we were going to have a competition to see who could taste spunk

first. I was going for Dan and Rosie would have Ian.

'Fancy a dance?' I asked flirtatiously, having put some smoochy music on the cassette player, but turned to Rosie instead of Dan and moved my hands up and down her smooth body. The alcohol had obviously loosened my inhibitions and I suddenly probed her lips with my tongue. Before we knew it we were both entwined in a passionate kiss and from the corner of my eye I could see the two guys, their tongues on the floor, getting very agitated, their hands moving inexorably down to their cocks. I'd never had any experience of lesbian sex, but I was certainly going to get some now!

I casually unclasped Rosie's bra and let it slip to the floor, revealing perfect small, brown nipples that were already rigid with the thrill of it all. I didn't need any more invitation and pressed my lips to her right tit, sucking hard and feeling the juices welling up in my pussy. Rosie was moaning loudly as I pulled her knickers aside and slipped my hand into her warm love tunnel, frigging her casually at first, then harder as I began to feel her orgasm build. It didn't take long before her whole body tensed and a warm rush flowed over my fingers.

The boys were absolutely dumbstruck as we giggled, I slipped my own bra and panties off, and ordered them both to stand in front of us and strip off.

"Now for a little competition," I said and Rosie and I sank to our knees and both took a stiff, throbbing, tool into our mouths. What a turn-on. As I worked up and down the glistening glans I could see Rosie licking and sucking furiously on Ian's tool, using all her charms to beat me to the peak and taste spunk before me.

I worked my tongue around the tip of Dan's cock, flicking at it with relish and within a few seconds he jerked uncontrollably and unleashed a warm torrent of thick, gooey jizz right down my throat. I greedily drank it all down and turned to Rosie, who was still sucking furiously, and opened my mouth in triumph to reveal the remnants of Dan's cum.

Within seconds Ian had jizzed as well and Rosie didn't look too upset to have lost in the great cum race as she licked her lips in satisfaction!

Needless to say, the two of us ended up spending the rest of the night being royally rogered by these two young studs. Naturally, after I'd been fucked doggie-style by Dan we had to swop and I straddled Ian to work my tight snatch up and down his thick tool until I came yet again. God, I didn't know that two boys could produce so much spunk, but I wasn't complaining!

The rest of the cruise was a total orgy. Virtually every night after work there would be some horny guy to get my rocks off with and I wasn't going to waste the opportunity, believe me. Maybe I'll write again and fill you in on some of the most sordid details sometime! – *Alexandra, Portsmouth*

A Worthy Cause

"As his breathing became heavier, Debbie realised that Paul's thick, pulsing dick was about to explode and fill her pussy with the sweetest of all juices." That was exactly what I had just keyed into the word processor when the doorbell rang. Wearing only a dressing gown (one of the advantages of working from home) I jumped up to answer the door. My pussy lips were swollen as I'd managed to turn myself on with my writing and hadn't been able to resist having a bit of a stroke as I worked. Always the sign of a good novel!

I ran downstairs and swung the door open just as the man was turning to leave. He looked back around, surprised at the fact that there was anyone in, but more so that the door should be answered at midday by a 23-year-old, leggy brunette wearing nothing but a dressing gown! He did look like his birthday had suddenly arrived unexpectedly, I have to admit!

"Er, I was collecting for the local hospital, Mrs..." he stammered.

"Miss," I corrected him. "But you can call me Joanne."

"They're trying to close it, you know. I can come back if it's not convenient, er... Joanne," he replied.

"No problem," I smiled, having already decided in my advanced state of arousal that this cute young man was going to fill my hole with some hot rod. "Come in and tell me all about it. Would you like a coffee?"

Sat in the living room I looked at Sam's official card, which he had offered enthusiastically as if trying to justify being in the room with a semi-naked woman. God, was he nervous! I leant over to inspect it more closely, making sure that he got a real eyeful of my big tits.

"That's a very worthy cause," I nodded as he explained what he was collecting for. "Let me go and get something for you." I went into the kitchen and pulled a ten pound note out of my purse. Then the idea hit me. I felt like one of those cheap whores in the movies and the thought of it excited the hell of me. I went back to the room, smiling expectantly: "I've got ten pounds for the appeal, but you're going to

have to get it for yourself." I pulled my dressing gown aside and revealed the note, wedged in the middle of my cleavage. Sam's eyes nearly popped out of his head and I'd wager it wasn't simply because of the generosity of my offer!

"With your teeth," I added as an epithet, running my fingers casually around the rims of my nipples.

Sam sat stock still, his eyes never moving from my fulsome breasts, but he seemed unsure of what he should do next.

"Maybe this will help you decide," I ventured, and let the dressing gown slide from my shoulders and down to the floor, exposing my shaven pussy like the jewel in the crown. I casually stroked the lips and could see that Sam was having difficulty restraining the beast in his trousers. I slid two fingers up inside myself and it was as if this motion triggered off the animal in him.

Sam leapt up off the couch, marched up to me, grabbed the tenner from between my tits and pulled me down onto the couch.

"I want to watch you come," he grinned and started to undo his flies. "I'm going to jerk off and cum all over your tits while you wank for me." Well, I wasn't exactly going to turn down an offer like that, so I dutifully started to work my way around my labia, while Sam pulled his dick out. And what a dick it was! Full, long, thick and crowned with a massive purple helmet that made my mouth water at the very prospect of sucking the cum out of it.

Sam started working on his manhood and the very sight of this well-endowed hunk beating off in front of me helped my own orgasm start to rise. Within minutes the two of us had climaxed in unison and the great jet of cum that rained down on my tits was so horny that I was almost beside myself. I rubbed it into my boobs enthusiastically, collecting a little on my fingers and sticking them in my mouth.

Sam was already hard again and turned me over on my front so that he could penetrate me in the missionary position. As he slid his thick tool deep into my hole I contracted my cunt muscles to hold him in there awhile and savour the moment. When I released, he began working up a frantic pace, driving harder and deeper into me with each stroke. I've always liked my sex to be athletic and this boy was putting in enough work for a marathon!

Once again Sam bucked with the sheer force of his orgasm and this time his hot love shot deep inside me, making my entire body tingle and quiver with total sexual ecstasy. The complete feeling of release that it brought was pretty overwhelming, but what I really needed now was to be eaten out.

"Lick my pussy, Sam. Put your tongue on my cunt." Sam's head bobbed down to my sopping pussy and I looked down on his blond shock of hair as he began to tongue me with real passion. The heat of his breath only added to the pleasure and I lay back and wrapped my legs around his head the better to force his tongue deeper into my snatch. I must have held on for about ten minutes until his lascivious lapping brought me to the brink of coming and I tumbled down over the edge into orgasmic bliss.

Sam sure had staying power, because the minute I unwrapped my legs and with the smell of my pussy still on his lips, his dick rose to attention and he once again plunged into my willing hole. For the third time that day Sam came for me – and it wasn't even two o'clock!

"Don't forget your tenner," I laughed when he finally left later that afternoon. "We need to keep that hospital open. And if you ever need that cock of yours nursing again, well you know where to come." It was only fair. After all, he'd given me another great ending for my next filthy novel, hadn't he?

ON THE JOB

In and out of the office

Tarts In Tenerife!

They say a change is as good as a rest and after the sun and sex-soaked holiday that I've just returned from, there's no doubt in my mind that this is the absolute truth!

About two months ago my friend Amanda and I decided that we'd had enough of the smog and rain in London. Believe you me, it ain't a lot of fun being a promotions girl for a cigarette company when it means you have to stand in the middle of Piccadilly Circus in the pissing rain, trying to interest people in having a fag.

"Fuck it," I'd said. "We deserve a break and we're going to have one." Before

the week was out Amanda and I were on a plane heading down to sunny Tenerife, with nothing on our minds but fun and shortly nothing on our bodies except sun-tan lotion.

'Boyfriends?' I hear you lot ask. Well, yeah, course there are boyfriends. Without blowing our own trumpets, what would you expect for two twenty-year-old, leggy lasses like ourselves? There are always loads of blokes who are up for a shag, and Dave and Paul just happened to be so good at it that we invited them to stay. Paul was a bit dubious about letting me go, but when I assured him that it was rest and recuperation rather than sex and penetration that I was after, he was quite happy to see the back of me. Beer. Football. Pool. You know the kind of things that boys do!

'Go and enjoy yourself, Andrea," he said. "And come back ready to shag me senseless!"

And I swear to God, when the guys waved Mandy and I off at the airport, we had no dirty designs at all in our heads. Just shows what a funny old world it can be!

The apartment was fantastic, with one of those beautiful, marbled floors that was cool underneath your feet when you walked; just what you needed to take the sting out of the searing midday heat.

We were in a secluded block of about eight chalets, all built around a gorgeous swimming pool. It really was fantastic and the first couple of days were spent doing nothing but lying around, working on our tan and reading. The feel of the sun on my tits was lovely and I have to admit that when it came to rubbing sun-tan oil in, I probably spent just a little bit too much time on them. Mandy noticed and had laughed out loud:

"Look at your nipples, girl! Are you having dirty thoughts or what?" And the weird thing was, I was.

I don't know if it was the sun going to my head or the fact that you tend to lose your inhibitions on holiday, but I couldn't help admiring Mandy's great figure: her pert tits, cute arse and really lovely cunt, which I'd been eyeing up when she was getting changed in the morning!

Shocked? Not half! I'd never found a woman even remotely desirable, but all of a sudden my pussy was getting moist at the thought of sprawling on the bed with my best mate, our lips entwining, the fragrant smell of her pussy exciting me as I lapped at it, the hardness of her nipples pressed against my body. No matter how much I tried to push the thought away, it would return, and by the third day I was absolutely desperate to sleep with Mandy.

After a very rowdy night in a local bar, where we'd been getting more than a little attention from the local lads, we both stumbled back to the apartment at midnight, pissed and giggling.

Mandy had the keys to the room and after fumbling in her handbag finally found them, but proceeded to drop them on the floor, bending

over to reveal the slightest glimpse of her bare bum! She wasn't wearing any knickers, the dirty cow! With a large dose of Dutch courage, I slid my hand over her bare flesh, thinking I could laugh it off if she reacted badly!

Mandy's whole body tensed up when my hand touched her arse, but you could tell it was with a frisson of excitement rather than disgust. "Oh God," she moaned quietly and all of a sudden I was so turned on I thought my moist hole was about to explode! Mandy took hold of me and buried her tongue deep in my throat. It was ecstasy and once we'd opened the door that was it.

Mandy moved to the table, bent over it, hitched her skirt up and offered up her bum with a cute wiggle.

Well, I may have been inexperienced when it came to lezzie relations, but I didn't need any guidance in what to do. I moved over, licking my lips, got to my knees and started gently to work my moist tongue around the edge of her beautiful, neatly-trimmed pussy. The tangy taste of her cunt, which was deliciously damp, was such a thrill that I must have spent a good twenty minutes giving head, darting in and out of Mandy's

hole, working at her labia as she moaned softly.

"Come to bed," she finally commanded. I nodded, horny as hell and we both went to the bedroom, undressed each other and lay on the bed, kissing and wanking each other like mad. It was amazing. Mandy seemed to know exactly how to turn me on, her fingers teasing me and making my orgasm swell to a high that I didn't think existed!

Well, after that, the third night of our holiday, the two of us just went mad. I don't think either of us thought of ourselves as having lesbian tendencies, but whatever you wanted to call it, we were into each other's bodies, and we were going to have some fun with them!

It was as if our lovemaking opened the floodgates to a locked treasure trove of sexual fantasies. We exposed our deepest, secret thoughts to each other; that I often dreamed about making love on stage, that we both wanted

to wank off in front of a stranger. And one thing that we both agreed on was that we would like to make love to each other in front of a bunch of guys!

By the fifth night we were certainly well-known at the local bar I mentioned earlier. The owner, Jerry, was an Englishman who'd sold up in Newcastle and bought the place out here. And a good laugh he was too. He had been flirting with us since the day we'd arrived, telling us how good we looked and how we had 'the best tits on the island'! Such a sweetie!

After a night of heavy drinking, there were about five of Jerry's mates and ourselves left. As he moved to lock up it was as if Mandy and I had the same thought at the self-same moment. Nervous as I was, I told Jerry that we had a surprise for him and his mates.

"Pull the shutters down and put some sexy music on," I ordered. All of a sudden the air was tense with electricity, but Jerry did what he was told, a pretty obvious bulge appearing in his shorts! Mandy and I began to kiss each other passionately.

I slowly pulled down Mandy's top to reveal her lovely tits. "Best tits on the island," I thought, and smiled to myself as I bent my head down and took the right bud in my mouth, teasing it gently at first, then rougher as Mandy started to warm up. I then pulled her skirt down to the floor, easing myself out of my bikini-top and shorts at the same time, so that we were both naked. It felt totally brilliant, eating out my mate's pussy with half a dozen good-looking guys watching and getting turned on and Mandy was just as horny judging from the sounds she was making!

I gently lay her back over the bar so that I could eat her out better, when all of a sudden I felt a strong pair of hands on my bum. It was Jerry, who had obviously got so worked up that he couldn't hold himself back. I was more than happy to oblige, fumbling for his cock, by now ramrod stiff and thick in his pants, while I was still eating Mandy. Jerry decided to help and while I wasn't going to stop eating pussy for anyone, I wiggled my bum to let Jerry know that I wanted him to fuck me from behind!

His dick slid in easily enough because my cunt was so damp and the thrill of having this guy pounding me from behind while I was giving head to a girl was enough to make me come immediately. Jerry was obviously pretty excited himself, because he didn't take long before I felt that lovely, familiar warm jet of spunk gushing deep into my hole! Heaven!

Well, as you can imagine, the whole scenario was an open invitation. We all moved back to Jerry's bedroom and Mandy and I acted like total sluts, sucking any cock that came our way, bouncing on great, thick tools like there was no tomorrow, and – of course – grabbing each other for some two-girl fun whenever we could. The whole night was amazing. I must have made more guys come in one session than I had in my entire life – or at least it felt that way. I love the taste of cock and I love the feel of spunk in my mouth. I was getting generous portions of both. It was also really horny to watch Mandy making love with another bloke in front of me, seeing how readily she gobbled his cock, how she bucked and moaned while a guy was screwing her, not to mention what she looked like with hot semen shot all over her face! I had to lick it off and that was one of the most horny experiences of the entire night!

By about five in the morning we'd just about tried every sexual position between ourselves and the six guys, three of whose names we didn't even know!

By the end of our week's holiday I think I'd had more sex than I had in the last year. But guess what? I felt invigorated and ready to step out in the rain of Piccadilly Circus all over again! Of course I didn't tell Paul about any of my experiences, but when Mandy and I have an illicit two-girl session now, I sometimes wonder if he wouldn't mind knowing so that he could shoot his hot come all over his girl and her best friend while they fuck in front of him! I don't think I've ever met a guy who wasn't turned on by two girls together and if I know Paul, then he won't be any different! If I do decide to reveal my secret to him, I'll write and let you know the outcome! – *Andrea, London*

COUPLES CONFESS

Share and share alike!

Water Sports

Every month I buy Club, and every month I'm just amazed at the number of apparently randy, rampant females out there who just can't get enough sex or control their urges. And for years, there I was thinking that I was the only one!

I know now that I'm not the only girl out there who reads Club and gets turned on by it. I wouldn't say that I was bi as such, but I have dabbled, and I do enjoy a good frig when I flick through the pages of each new issue, and I especially love to stroke the velvet soft lips of my cunt when I see all those French-looking girls that you love to feature. Those big eyes and the lovely smooth titty-flesh really drives me wild.

In fact, the confession that I'm about to relate to all your readers involves a couple of French girls that I met when I went on a watersports holiday at a special centre in the South of France last summer.

I've always been very sporty, and pride myself on my trim figure and good skin. And being blonde, I've always attracted a lot of hot male glances and attention at the swimming pool or the beach or the sporting lake. I make sure that I always wear my swimsuits and wetsuits cut just that little bit too small and tight, so that all my curves are shown off to their best advantage. It's often been said that I look like Pamela Anderson, the actress on *Baywatch*, and I must say that I'm very flattered by that.

The sports complex where I'd managed to get a last-minute booking seemed mostly to be populated by young French tourists, and most people were as fit and expert at the sport as myself. It wasn't long before I got talking to two girls from Paris, Estelle and Catrine, who were there to enjoy some water-skiing with their boyfriends Pascal and Antoine.

As soon as I met the foursome, I knew that they were into partner swapping in a big way. I don't know how I knew exactly, but I guess I could tell from the way the eyes of the two girls raked over my figure that they found me sexy, and I must say that they were both gorgeous, sophisticated brunettes – typical French girls. As I got to know them better, I'd find myself fantasising about slipping my fingers beneath the crotch of Estelle's swimsuit, or having a good underwater grope with Catrine after we'd done a bit of scuba-diving. Being in the water always makes me feel extra sexy, and after three or four days of spending a lot of time in the foursome's company, I was almost in a frenzy of sexual anticipation.

The fifth day I was there was incredibly hot, too hot even for me to do much strenuous activity, so I took the sail-board out by myself and headed for the middle of the watersports lake, where there was a large landing platform. Then I stripped off my wetsuit and swimsuit, so that I was completely naked. The sun felt hot on my body as I lounged back on the floating wooden platform, and I could feel myself responding to the delicious feeling. My nipples started throbbing, and I parted my thighs so that I could feel the warm air floating up between my pussy lips. Gradually, I was becoming more and more turned on, the juices starting to form inside my pussy hole, and I idly stroked myself between my fleshy lips, my eyes shut as I let myself go down deep into the pleasure my own fingers were giving me.

I was so engrossed in what I was doing that I barely heard the splashing sounds in the water close by, or the sound of voices as they moored a boat up against the side of the platform. But I soon opened my eyes when Catrine spoke to me.

"We decided to follow you out here," she grinned. "Looks like we made the right decision!"

They'd caught me at it – naked, my hand between my legs, my back arched as my own fingers probed at my cunt. I hastily pulled my fingers out of my cunt, and the other four could see that they were liberally coated with my juices.

Pascal and Antoine sat down next to me, raking their eyes over my bare flesh, as the two French girls knelt either side. Then, without a word, they both started to stroke and caress me, their fingers working all over my skin, finding the little hollows underneath my boobs, sliding into my cunt lips, manipulating my clitty.

At first I was a little nervous, but my sexual reactions overcame me, and the fact of having the two guys watching every move their girlfriends were making on me. My nipples were so

stiff, I moaned something about needing some extra stimulation on them, and I closed my eyes and went with the flow as Estelle bent her head and took one of them into her mouth, teasing it with her teeth and tongue as her hand slid down my body and she pushed two fingers firmly inside me.

Pascal spoke breathlessly. "I love watching you fingering another girl," he said in French. "It's so sexy – and Linda loves it."

I certainly did. I knew that at any moment, the constant pressure of two females pairs of hands and tongues was going to make me erupt into the most tremendous climax..

The guys were determined not to be left out, though, and I watched as they each took up position with one of my slender legs. Then they held me around the ankles, stroking and licking at the skin there and on the soles of my feet as their girlfriends tended to my boobs. I've always had a bit of a thing about having my toes sucked, and Antoine in particular seemed to have a real foot fetish, taking the toes of one foot right into his mouth and playing his tongue all over and in between them. That made me come for the first time; I couldn't help myself, although I did try to hold myself back. I wanted to make myself last longer, but the feel of two hot, wet tongues making a moist line along my soles and then up the inside of my thighs was almost too much to bear.

Antoine and his mate licked their way up my thighs, and

then paused at my cunt. I was desperate for one of them to enter me and tongue-fuck me, and I started to moan. "Lick me, fuck me," I heard myself saying. They really teased me, making me wait for ages before Pascal decided what was to be done.

"We need to watch the girls working on your cunt," he told me. I had my eyes closed to enjoy the climax that was just dying out through my pubic area, so I couldn't see, but I heard the scuffling noises as the guys moved out of the way... and the relief I felt when two tongues pushed my cunt lips apart and starting probing my wet walls was indescribable.

Estelle and Catrine had obviously done this before, because their tongues were moving side-by-side in unison inside me in a smooth rhythm. It was the most incredibly erotic experience I've ever had, and I couldn't help my cunt gushing as the two French girls lapped furiously at my cunt.

I opened my eyes to see the most amazing daisy chain taking place. Estelle's bum cheeks were being fondled by her boyfriend Pascal, prised apart as he introduced his cock into her cunt from behind, while Catrine's boyfriend was already inside her temptingly up-tilted cunt and was pumping away vigorously. I could see the girls' faces. eyes screwed up tight with pleasure as they fought to control themselves long enough to make me come before they succumbed to their own orgasms.

I was well away by now, my whole body trembling with the force of all the love juices which were flowing through me. I thought I couldn't feel any more excited, any more horny, than I already did, but when I saw the two girls getting such a porking from their boyfriends, I just had to lie back and let another orgasm rip through me.

The first to succumb was Antoine, who muttered something in French, pulled out of Catrine's cunt quickly, and then unloaded a torrent of spunk onto her bum and back. She was panting and perspiring as the hot jets covered her tanned skin, and she put her arm around her friend just as Pascal came his load deep into Estelle's cunt

a few moments later. And I'd seen it all – I'd thought scenes like this only happened in sex films!

I assumed that this was the end of the encounter, but thankfully I was wrong. Having been fucked thoroughly by her boyfriend, Estelle wanted to see what he'd look like fucking me!

She grabbed hold of his sticky, softening cock as soon as he'd pulled out of her and went down on her knees in front of him, gently kneading the shaft with her hands and using her tongue to further turn him on.

When he was finally hard enough, the two girls supported me from behind so

that Pascal could lift my legs right up onto his shoulders and penetrate me deeply. They stroked my head and face and breasts as he pummelled into me again and again – and slut that I am, I was begging for him to do it even harder than that. I clasped my feet behind his neck and howled my way to my biggest orgasm of the day, the sweat breaking out between my boobs and my cunt now gushing with both my own juices and the come that Pascal started unleashing inside me.

It was a good job that no one saw us there on that landing platform, because we were right out in the open, but we escaped without any interest from prying eyes. And my legs were like jelly afterwards, so controlling that sailboard was pretty hard...

And you might be wondering where it all led from there. Well, as you can guess, the rest of the holiday was spent with minimum time on watersports and maximum time on bedroom sports! And as you read this, I'll be spending my Christmas holiday in Paris with both couples, and I know for a fact what I'll be getting for my present! – *Linda, Knowsley* ♣

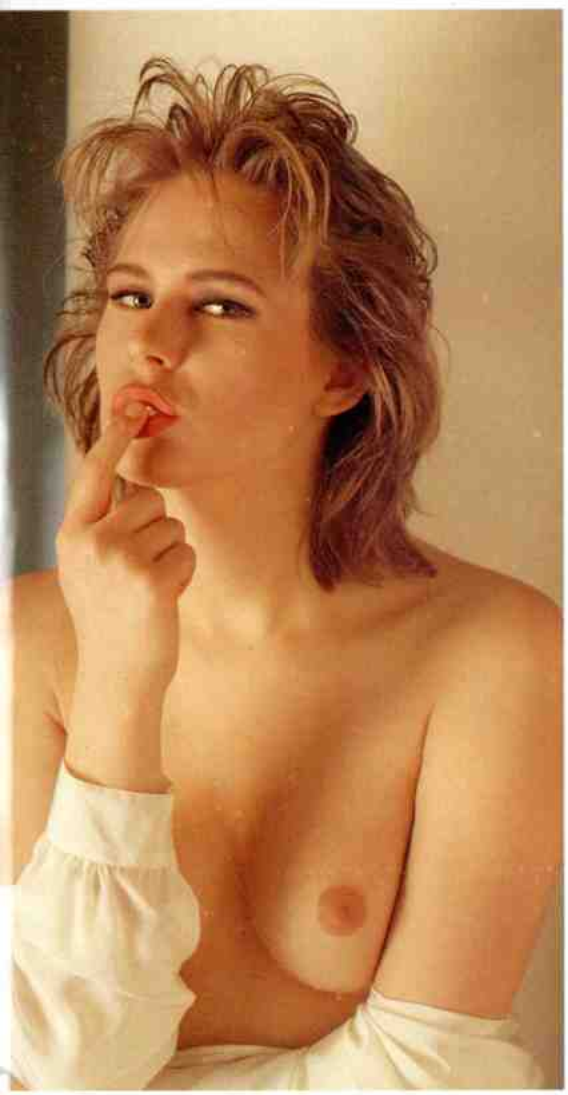
monique

Monique's just a week past her 18th birthday and what better way of celebrating her coming of age than appearing in Club?

"I could hardly wait," gushes the dress designer from Reading. "I've been practising all my different poses in front of the mirror for ages now, trying to look as sexy as possible. Just the thought of peeling off all my clothes really turned me on.

"I wasn't sure about my undies



though," she giggles. "I must have tried on about a dozen sets, but in the end I decided on my silk bodywrap. After all it's Christmas and I'm sure you lot would have a lot of fun unwrapping me, wouldn't you?" ♣

Polly may look every inch the sultry temptress, but the Economics student from Brighton insists that she's a real pussy cat. "Looks can be very deceiving," says the 19-year-old. "I'm quite shy really, although I must admit I didn't think twice about posing for Club!

"I know that quite a few of the fellas at college are regular readers of your magazine, so I can't wait to see their reaction," giggles Polly. "In fact I'm

looking forward to becoming something of a minor celebrity on campus!

"And, of course, the thought of all you guys opening the magazine and seeing me naked inside really turns me on!"

Well, Polly, you're not the only one with a good head for figures! ♣

"It's a present from an admirer," purrs Janna, lounging around on her sexy new sheets (Don't worry, it's not real leopard skin, before all you Greenies out there go bananas!). "He tells me he gave me them because I'm a real animal in the bedroom!"

And are you, doing our best Johnny Morris voice...

"That's for me to know and you lot to find out!" she says seductively, clawing at her little nipples. "Let's just say that I haven't had any complaints. When I take a man to bed he knows he's been fucked, sucked and fucked again, and I've never met a guy yet who could last longer than me," states the naughty 19-year-old from Twickenham. DO YOU ATTRACT GIRLS?

INCREDIBLE!

Scientists have recently been successful in isolating and synthesising a natural female attractant ANDROSTENONE PHEROMONE. Everyone knows that there are a small minority of man who seem to attract women without effort. These are the men with high Androstenone levels - which is less than 10% of the male population. Results from experiments have been widely reported in the press:

And now the pheromone is marketed, we've tested it and good grief it works! **Knave**

The stuff attracts women like you wouldn't believe **Colorado Telegraph**

It's something women don't consciously smell, it works in the olfactory nerves. She finds the man attractive but doesn't know why **Lifestyle**

Minute quantities were sprayed on a chair in a dentist waiting room. Women patients went straight for the chair. **Sunday Times**

Dr Alex Comfort suggests that the musky natural scent may act directly on the brain's sex centre to heighten sexual arousal - but at a level below the threshold of awareness **Cosmopolitan**

This stuff makes Petunia screw like a bunny **Oui**

DESIRE contains the WORLDS best proved agent.DON.T BE MISLED BY CHEAP IMITATIONS. It comes in a discrete pocket atomiser Successfully tested on BBC TV's Tomorrow's World and Friday Night Saturday Morning.

"Girls in the night Club just seemed to surround me,and my friends were very jealous. It certainly does work!" **P.M. Manchester**

"One of the girls in my department, quite out of character started to seduce me." **R.A. Oxford**

"I sprayed it on parts of my body and I had a fantastic time with my wife. It was amazing!" **S.R. Stockport**

Photographs by Maria Clarke

What a cracker! Twenty-year-old Sara loves the festive season and couldn't wait to peel off her knickers in our bumper Christmas issue. "I love everything about Christmas," she purrs sexily. "The food, the drink and, of course, the mistletoe! "If I'm out partying, I like to

dress up really sexily," says Sara. "There's no way that a fella can resist me in my party dress with a big bunch of mistletoe in my hand. Then it's more than just the dinner table that's getting laid on Christmas Day!

"Presents are nice as well," she squeals, "and everyone wants to give me one!"

We bet they are, Sara! ♣

COMING IN

club

What? A cover up in Club? Surely the magazine that brings your three square miles of naked thighs every month hasn't gone shy? Well, of course not, it's just that Amelia here didn't want to give away the whole plot in one go. So, want to see know what happens when she let her defences (amongst other things) slip? Want to find out who hid all her underwear in the first place (or the naked truth as we call it)? Then tune in next month for the exciting climax! ♣

IN THE BAG

continued from page 44

Ellen. Her skirt was riding high up her legs and her black silk panties were clearly visible. I'm sure she must have realised as she kept crossing and uncrossing her legs whenever I was talking to her. She was a real flirt and kept holding my hand and kissing me on the cheek. Normally I would have worried what Lucy might say, but Gary and her were flirting outrageously too.

Later on in the night, the two girls went off to the toilet and Gary leaned across the table. "Ellen fancies you, you know," he said. "She can't keep her hands off you."

I laughed nervously and made a joke about it, but Gary went on. "We've got a very open relationship," he said. "If you want to fuck her tonight, feel free. You won't be disappointed." I almost choked on my drink, but when Ellen came back and suggested that we head off to their flat, we all agreed.

We hailed a taxi and when we got into their flat things moved unexpectedly quickly. It wasn't surprising with the underwritten message clearly there. Lucy and Gary disappeared into the kitchen, while I sat and chatted with Ellen. From the giggling that was coming from the kitchen, I knew something was happening in there, but Ellen soon had my full attention.

We were sitting side-by-side on a huge four-seater sofa, when suddenly she unzipped her skirt and pulled her knickers down to her knees. Young, pouting pussy lips greeted me and I froze for a second. "Don't worry about Lucy," purred Ellen. "She's probably doing the same thing with Gary in the kitchen."

Without hesitating, I slid my fingers down to her snatch and eased two fingers inside her. She moaned as I started to gently frig her. She was very turned on and gyrated her hips against my palm, her thighs thrusting her cunt down and around my fingers.

Then Lucy and Gary came through from the kitchen. "I'm glad to see you two are getting on so well," laughed Gary. "Lucy and I have been getting acquainted too." And with that Lucy unzipped her catsuit and sat down on the settee beside us, totally naked. Gary dropped to his knees and parted her legs and his eyes widened as he looked closely at her bushy cunt. "Lick me out, Gary," moaned Lucy. Gary buried his face in her muff, lapping at her sticky hole. It felt incredibly horny watching Lucy getting tongue-fucked by him!

Ellen then guided my cock out of the fly of my trousers, stroking it gently, before peeling back my foreskin and then running her tongue around the rim of my bell-end. "That's perfect," I mumbled. "Put your lips around it." Ellen knelt before me and sucked my tool down her throat. I could feel her tongue running all over my shaft, then down over my balls. Every lap of her tongue stimulated my balls and they twitched with eagerness, more than ready to deliver their creamy load.

The back of their leather settee became the base for our passion. Straddling her legs well apart, she leant over the dimpled surface and then reached back, her red nails clear against her peachy flesh as she pulled her cunt lips open for me. "Fuck me hard, Richard," she implored, as I guided my erect cock towards her gaping hole.

I glanced across at Lucy who had Gary's cock in her hand and was wanking him off. "Go on, Richard," she said. "Fuck her really hard."

I eased my cock inside her shaven snatch and as I started pumping hard inside her, the settee started moving across the floor on its casters. Gary on the other side of the sofa was benefiting too, because the motion just drove Lucy's cunt onto his tongue even more! It was getting pretty frantic, because as Lucy started to edge towards orgasm, she couldn't resist reaching over and teasing Ellen's nipples.

"A one, a two, a-one-two-three-four!"

It was so horny, all four of us getting off like that and quite literally we all shuddered and came off at once. Lucy screamed through a fabulous climax too, and nearly clenched poor Gary's face off when her thighs contracted so hard.

The drink definitely inhibited more fucking that nightand Gary was lucky enough to be treated to a double blow-job, as Lucy and Ellen both sucked and kissed his cock. We finished by screwing our own girlfriends properly, though we all agreed that it was worth setting up another night out... and pretty soon too! – *Richard, Farnborough* ♣

NAUGHTY NEIGHBOURS

A chink in the curtain reveals the wife-swapping antics in a surburban town. John screws Peter's wife Sally, while Peter gets his end away orally, so to speak, with John's wife. Meanwhile, Carol and Claire are into a lesbian screwing session and Allan's wife, Jackie is showing the workmen the crack that she wants filled.

BUSTY SPECIAL NO. 1

When little Alice spills a drink down the dress of Margaret, the big busted blonde, she strips off and lets Alice dry her body, including those big, bulging tits. Then Alice gives her a baby oil massage, finding her way into every nook and cranny, until Margaret is completely satisfied.

ANGEL'S BACK

Back to what she does best – sex – with anybody. Lots of lesbian and group action A superb gym session, where she lifts all the tackle going and makes the most of the bulging equipment. Then her insatiable lust takes her into a Harem orgy with Arabs built like stallions.
